The Church of the Epiphany Space Use Policies and Contract

The Church of the Epiphany is pleased to allow the use of our facilities by individuals, non-profit, civic, business, and fellowship groups for meetings, training sessions, and social events. All use is at the discretion of the clergy. In order to ensure that our building is properly enjoyed and maintained, Epiphany has adopted this Space Use Agreement. The Church of the Epiphany is a private Facility and reserves the absolute right in its sole discretion to decline to permit use of the Facility to any individual or group.

This Space Use Agreement (Agreement) is made and entered into this _______ day of ____________, 20____, by and between The Church of the Epiphany, hereinafter called the “Church” and

________________________________________________________.

For the purposes of this contract, the Parish Administrator (Roland Mansfield) will represent the Church. This Agreement is for use of the Church and/or Parish House facility.

Anyone using space at the church must complete a Space Reservation Contract, which must be received at least 48 hours in advance of the date of the event. Space is not guaranteed until the completed form is received in the parish office.

NOW, therefore, it is agreed by and between the parties as follows:

Deposit
A non-refundable deposit of 25% of the expected fee is required when the reservation is confirmed. For first time users, the deposit is 50%. Note: the total fee is expected to be paid 30 days before the date of the event.

In the event of cancellation
The entire fee will be forfeited (or due, to the extent not yet paid) if an event is cancelled seven days or less prior to the reserved date on which activities are expected to begin.

One-half of the fee will be forfeited (or due, to the extent not yet paid) if an event is cancelled during the period 30 days to 8 days prior to the event.

There is no penalty for cancellation due to severe weather or natural disaster; or if, for any emergency, the church is unable to hold your event. In such a case, the entire fee will be refunded, and you will be given an opportunity to reschedule at your convenience. Note: the church follows the US government’s weather cancellation decisions.

Sexton services included in fees
The church’s sexton or a substitute, hired by the church, will be on site and available to assist in a successful event, arriving ahead of your group and staying afterwards for clean-up and resetting of the church. This is to assure that the building is open when you arrive and that it is ready for the next event or the next day’s activities.

The sexton’s services include providing chairs, music stands, tables needed for set-up. If necessary, he will assist in arranging the space.

The sexton will admit your group while maintaining the security of the building.

The sexton will open the doors to the public at the time you request, if your event is public.

The sexton will assure all restrooms are fully stocked with toilet tissue and hand towels.

The sexton will provide security at the building entrance; however, neither the church, nor its staff, assume any responsibility for lost or stolen articles left unattended. A closet is available for locking away performers’ belongings.

Use of the kitchen
The kitchen may be used as a staging area for receptions, but not for stove/oven cooking or dishwashing. Use does include the use of the refrigerator, microwave oven, and sinks. It does not include the use of the church’s dishes, glassware, flatware, or utensils. The large coffee urn is available, but must be operated by church staff.

Serving of alcohol
If alcohol is to be served (in the Community Hall only), the person or organization hiring the space MUST either present proof of insurance including the addition of The Church of the Epiphany as a named insured OR hire a licensed caterer or bar tender who can produce proof of insurance.
It is the responsibility of the organization using space to assure that all church property is protected from damage caused by the use of space on church property. This includes, but is not limited to, protection of the flooring from damage caused by choir risers or musical instruments.

**Delivery of equipment or instruments**
Arrangements for delivery of equipment or large musical instruments must be made at least a week in advance through the parish office (202-347-2635) to avoid conflicts with the church and parish schedule.

**Use and tuning of the church’s musical instruments**
When engaging the church for your event, the use of the organ and/or piano is permitted for an additional fee. The 9-foot Steinway concert grand piano and the Aeolian-Skinner four register pipe organ (64 registers, 3467 pipes) are regularly tuned by the church. However, if you desire tuning of the piano, it may be done by either a tuner of your choice (billed directly to you) or ours (billed to us and forwarded to you). If your tuner is hired, he or she must schedule with the parish office for a time to have access to the instrument to ensure availability.

**Parking:** Parking is not available on Church property for performers or attendees.

The Church of the Epiphany is not responsible for articles left in the buildings by groups or individuals who use the space. At no time is The Church of the Epiphany responsible for the property of the user(s) of church space.

Policies will continue to evolve over time.

**Fee Structure**

All fees are calculated from the time of your arrival until your departure, including set-up and breakdown. Arrival and departure times should be followed strictly. There is a minimum one-hour charge at the first hour rate for the room or space being used.
