During COVID-19

During COVID-19, we launched Epiphany Tuesday Concerts at Home broadcasting concerts via Epiphany TCS YouTube channel. We quickly saw the viewership reaching far beyond our DC community, especially after The Washington Post selected us “The Best Things to Do - Virtually and in-person in the DC”!

We are so thrilled to resume our in-person performances from September 2021 and we continue to broadcast our program each week via Epiphany TCS YouTube channel as well.

Ways to Give

Thank you for your contributions to the Epiphany Tuesday Concert Series!

We welcome donations to provide compensation for the performers and maintain our instruments, but the need is always greater than the available resources. Please consider a gift to the Epiphany Tuesday Concerts so we can continue to offer inspiring experiences of the arts for many years to come.

The Epiphany Tuesday Concert Series

July-December 2022

About the Epiphany Tuesday Concert Series

The Church of the Epiphany, in the heart of downtown Washington, D.C. has been serving those in need and celebrating the arts since its founding in 1842.

The Tuesday Concert Series reaches out to the entire metropolitan Washington community 52 weeks of the year. Every Tuesday at 12:10 pm free programs are offered to the community by world-class artists from around the world. The series enjoys partnerships as well with the local art groups including the Levine School of Music and the Washington Bach Consort.

A beautiful and resonant acoustic space, a 64-rank, 4-manual Aeolian-Skinner organ with 3,467 pipes, a 9-foot Steinway D concert grand piano, and a three-rank chamber organ from Slovenia provide performers and audiences alike with a glorious experience of the arts each Tuesday, attracting those taking a break during their work day, tourists, groups of seniors on an outing, and students groups.
